MEMORANDUM FOR COMMANDERS/DIRECTORS, MSC, LABS, AND FOA

SUBJECT: Corps-wide Areas of Work Responsibility

1. Reference is made to Engineer Regulation (ER) 5-1-10, 30 Sep 97, subject as above.
2. You are reminded that many active HQ directed work assignments (initiated prior to 1 Oct 97) outside Major Subordinate Commands' (MSC) geographic area of responsibility (AOR) need to be brokered prior to 1 Oct 98 or submitted to the USACE Board of Directors. Suggest you review all work outside your MSC AOR and insure that you have written approval of the USACE activity in whose geographical or functional area the work is located.
- 3 Brokering arrangements must be consistent with our Project Management Business Process and the Corps' vision of providing customers with "One Door to the Corps."
